an identifying step of identifying an extracting method [by] based on the extracted first additional information; and
a second extracting step of extracting second additional information from the input information [by] using the [identified] extracting method identified in said identifying step.

REMARKS

By the above amendments, the specification and claims have been amended as to matters of form only, correcting minor typographical and grammatical errors. No new matter has been added. Favorable consideration and passage to issue are respectfully requested.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

Attorney for Applicant
